## 2019 Community Family Fun Fair

October 29, 2019 | 3 – 7 P.M.

You don't want to miss this year's annual event. We are at a new venue and proceeds are going to the Boys and Girls Club of Janesville. Our event will be held at the Janesville Boys and Girls Club with the assistance of the staff and friends of the club.

Association members, you can have booth space for the low price of just \$25. That is a great deal. What better way to get out into the community and let them know, that's "Who We R". With the electronic world, we need to get out there in person and connect with the community we live and work in. Let them know we are also here to help. Reserve your booth space today and make a difference in some child's life. It is a great feeling to see the smiles that come onto their faces. Truly rewarding!

**MLS INFORMATION**

**\*\*\*Hot Tip:** If you have a listing that is not mapped correctly, it may be missed if an agent is searching by map. Please make it part of your routine to always check the map placement when adding a new listing. If the map placement as assigned by Paragon is not correct, you can adjust it under Listing Maintain - Change GeoCode. When the map displays under maintain, click on the red map placement marker and move it as needed. Switching to a bird's eye view (click the down arrow next to the word Road in the upper left corner) and using the zoom feature helps to pinpoint the exact location. There is also an option to enter the latitude and longitude. (Before clicking Save, you may want to zoom out a bit as the zoom level will also be saved.)

**\*\*\*Hot Tip for admins assisting agents:** If you are not familiar with the location of a property, our new CRS tax program can help you pinpoint it exactly using the latitude and longitude. Click on the red T

from the listing to pull the property up within the CRS tax program. Scroll down to the Property Characteristics: Lot section. The Latitude and Longitude is listed. Copy and paste it into the Change GeoCode option within listing maintain.

**\*\*\*The number of characters allowed for public remarks has been increased from 600 to 650 characters.**

**\*\*\*Input Reminder for Condos:** When selecting features for a condo listing, please remember that the feature Basement and Parking are for the individual condo unit, not the building as a whole.

**\*\*\*Hot Tip:** By default, ShowingTime only sends texts and push notifications during the hours of 8 am to 8pm. If you want to receive these alerts at any time, you can change this preference. Within Paragon, click Preferences and Showing Assist. Click on your name within the left panel to open your preferences. Agent Communication is an option under Additional Preferences.

**“Please remember that your list date on the contract must be on the MLS sheet, not the date you enter it. If you are unable to enter the correct date, email [sue@rockgreenrealtors.org](mailto:sue@rockgreenrealtors.org) to get it corrected.”**

**Rock County Housing Statistics**

**Madison, Wis.**—Sales of existing homes turned down sharply in June, which is traditionally the strongest month of the year for home sales, while prices continued to rise at well above the rate of inflation. Normally a strong economy and low mortgage rates produce solid sales growth, but our persistent lack of homes for sale kept June sales well below last year’s levels.

While affordability continues to slip, Wisconsin’s housing affordability remains well above the nation and the Midwest region. The index slipped from 189 in June 2018 to 185 in June of this year.

The economic expansion has now moved into its 11<sup>th</sup> year, which makes this recovery the longest in post-war history. This weak supply has kept the sellers in the driver’s seat, so buyers need to work with a REALTOR® and be prepared to move quickly when the right opportunity presents itself.

**Rock County Housing Statistics**—The median price for June 2019 is \$184,450 and for the month of June in 2018 it was \$167,250 that was an increase of +10.3% and the Sales for June 2019 is 240 and June of 2018 was 241 that was a change of -0.4%. In June of 2019 there was 3.8 months of inventory and in June of 2018 there was 3.5 that was a change of +8.6%. Average days on the market in June of 2019 was 79 and June of 2018 was 75 that was an increase of +5.3%.

**Statewide Housing Statistics**—The median price through June 2019 is \$195,000 and through June of 2018 it was \$181,000 that was an increase of +7.7%. The sales through June of 2019 is 36,336 and June of 2018 was 38,275 that was a decrease of -5.1%.

All county figures on sales volume and median prices are compiled by WRA and are not seasonally adjusted. Median prices are only computed if the county recorded at least 10 home sales in the quarter. Beginning in 2018, all historical sales volume and median price data from 2015 forward at the county level have been re-benchmarked using the Relitix system that accesses MLS data directly. Data prior to January 2015 is derived from the Techmark system that also accessed MLS data directly.

The Nominating Committee met on Thur. July 18, 2019. The committee members in attendance were, Colleen Nelson, Jerry Morse, Heidi Krenz-Buchanan, Neil Kerwin and Verna Saladino.

## “Recipe of the Month”

### FRUIT PIZZA

¾ c. flour  
½ c. uncooked Cream of Wheat  
½ tsp. salt 1/3 c. margarine or butter  
4 to 5 T. cold water

#### FILLING:

8 oz. vanilla-flavored yogurt  
1 T. honey

#### TOPPING:

31 sm. melon balls  
10 strawberries, washed, hulled & sliced  
2 peaches, peeled & slices  
Green seedless grapes

Preheat oven to 475°. Combine flour, Cream of Wheat and butter until mixture resembles fine crumbs. Add water, 1 tablespoon at a time, blending with a fork. Roll on lightly-floured board into a 12-inch circle. Place on ungreased pizza pan and flute edges. Prick pastry; bake 8 to 10 minutes. Slide onto wire rack and cool.

**FILLING:** Mix Filling and spread on shell.

**TOPPING:** Arrange melon balls around outside edge, arrange strawberry slices inside, peach slices inside of the berries and mound grapes in center.

You can certainly use different fruit combination, but this is lovely and delicious. NOTE: Be sure to dip anything, such as bananas or peaches, in lemon juice and drain well before using so they don't darken.

**There is still time (why not make it easier on yourself) avoid that holiday crunch, get in the pre-payment plan, we are collecting until the end of August. One time \$5 service fee for partial payments. You can avoid that fee by paying the total in advance. If you have a nice closing, you might want to consider paying it forward. Any questions contact Vicky or Sue at 608-755-4841.**
