## A word from your President By Jerry Morse

It's August already! County Fairs are happening, kids will be preparing for school, and Football reappears. The good news is that life is more normal this year than last. However, Covid has not disappeared and appears on the rise. If you have not been vaccinated, please consider doing so.

As we all know, prices keep going up, sales are brisk and the lack of inventory continues. It has been totally frustrating for buyers, especially those who do not have the financial resources to compete with other buyers in multiple offer situations.

This market is taking its toll on REALTORS® also. Many of us have spent days and months working with buyers' spending money on gas, showing properties that are not normally in our market territory only to have our buyers lose out in a bidding war. REALTOR® Magazine recently had an article about coping with the low inventory. I remember one agent talking about 4700 agents in their marketplace and having only 700 homes available. That's 1 home per 6.7 agents! We are facing the same type of conditions. Fortunately, our inventory has improved slightly from 88 homes available in Rock County at the end of March to 135 at the end of June.

So, my advice to all of you is, take a break and refresh by attending our two fun events this month: the RPAC event at the new ballpark in Beloit on August 25<sup>th</sup>, and the Golf Outing on the 19<sup>th</sup>.

Happy Summer!

*Jerry*

### A Note from your Association Executive:

August, wow we are nearing the end of summer and soon the kids will be going back to school. The weather will be changing and we are hopeful that Real Estate will change too.

Everyone please be safe out there, now that the Covid 19 Delta Variant is all around us.

We still have room for more reservations for the Golf Outing which is on August 19 and the RPAC event at the New Beloit Stadium on August 25. Both registrations are in this newsletter for your convenience. There is also a registration form for this year's Installation program being held at the lovely Rotary Gardens on September 24.

We are trying to come up with more Community Activities so, if you have any suggestions, Please call me and let me know. We need to show the Area Communities that we live in that We Care... Because **That's Who we "R"**

Your Association is looking for members who will step up and help fundraising efforts to complete our obligation for the AriseNow Project. If you like to do fundraising or have ideas on what we can do as an Association to raise funds for our pledge, please give us a call or email to let us know you are interested. This will be a small task force just until we collect the amount needed to fulfil our obligation. I do know we have some creative folks in our Membership, please take a little time out of your busy schedules to help out your Association and maybe even have a little fun! Call 755-4854 | E-mail [vicky@rockgreenrealtors.org](mailto:vicky@rockgreenrealtors.org) Thank You!

## HAPPY SUMMER

## MLS INFORMATION

**\*\*\*Listing Input Reminder:** Over a year ago, the National Association of Realtors and Realtor MLSs across the country put in place new rules to prohibit the marketing of "pocket listings" not on the MLS.

Now, all listings, being marketed outside an agent's firm, MUST be entered in the MLS within 1 business day of public marketing. This includes marketing done by, or on behalf of the seller.

If marketing has not yet begun, listings must be entered no later than 4 calendar days from the effective date of the listing contract.

Our members have done fairly well adjusting to this new mandate, but there is still some confusion regarding public marketing. Public marketing begins as soon as you do any of the following:

1. Place a yard sign
2. Distribute information about your new listing to someone outside your own firm
3. Post your listing on a public website
4. Post your listing on a social media platform (including multi-brokerage listing sharing networks)
5. Respond with information about your new listing to an inquiry posted via a public platform -- An example would be responding to an agent looking for upcoming listings via a post on a real estate agent Facebook group.

**As soon as you do any of the above, you MUST enter your listing in the MLS within 1 business day.**

**\*\*\*Don't Do It:** The security of clients' properties is a top priority for all of us. Please note that you and your broker may be assessed a fine of \$500 each if you access a keybox without a confirmed appointment. These fines double, and Supra eKEY access may be suspended for a second offense. These penalties are guidelines, and depending on the circumstances have been more severe. In addition, a seller can bring trespass charges against any agent without a confirmed appointment. Double check the address before you access a property. Claiming you accidentally opened the keybox for the wrong property has not been a successful defense.

**\*\*\*If you are not currently using the Tax Autofill link when adding a listing, you may want to check it out.** Clicking on the Tax Autofill link at the top of the Add Listing screen will take you to the Tax Search page. Locate the property you are adding by parcel number, address, or owner name. Select the tax record, and then click on the Autofill link at the top of the screen. Information such as address, owner, school district, acres, assessments and taxes will be automatically imported into the add-listing screen saving you keystrokes. If the listing agent has provided information that is different from what is auto-filled, you can simply overwrite the auto-filled information.

**\*\*\*The MLS does not define *what is a bedroom*.** Listing agents should use common sense when calling a room a bedroom. If you are counting a room as a bedroom that is not a typical bedroom (i.e. does not have a closet, is accessible only by going through another room, etc.), please indicate in the remarks what makes it atypical so that showing agents and potential buyers are informed before a showing. A lower level room that does not meet safety guidelines for a bedroom, however, should not be labeled as a bedroom in the MLS. There is a link on Paragon for the bedroom guidelines. MLS rules mandate a photo be included within Paragon showing the egress window for every lower level bedroom.

Thank you, Sue

## Rock County Housing Statistics

**Madison, Wis.** —through the first half of 2021, existing home sales rose 8.4% relative to that same period last year, and median prices were up 11.9% over that same period to \$235,000 on continued tight inventory.

June home sales kept pace with sales in June 2020, whereas median prices rose 15.2% to \$257,000 over the 12-month period. While total listings in June were 19.3% below listings from a year earlier, the number of new listings were up 9.6% compared to June 2020.

There were just 3 months of available supply of housing in June, which indicates a strong seller's advantage in the market. This is down 31.8% from the 4.4 months of supply available in June 2020 and well below the six months of supply that signals a balanced home market.

Mary Duff, 2021 Chair of the WRA Board of Directors says, "We were expecting June sales to be flat or even down compared to last year because inventories remain so tight, so these sales figures aren't surprising under the circumstances. Homes continue to move very quickly, and buyers have been aggressive in their bidding. It's common to see multiple offers when a home hits the market with the successful buyer coming in with few if any contingencies and even waiving inspection requirements. We expect these conditions to continue through the summer and into the fall."

Michael Theo, WRA President and CEO tells us, "We had a good start to the year, with sales for the first six months only 2.5% lower than the peak sales for the first two quarters of the year, which took place in 2017. REALTORS® are doing a great job of matching buyers, but the lack of inventory continues to drive prices upward. We're in this pattern of very strong demand and very weak supply, and that's a formula for ongoing affordability issues. Prices are up more than 12% year to date compared to last year, which has caused our housing to be less affordable. Fortunately, low mortgage rates have helped, with the 30-year fixed-rate mortgage below 3% for the second straight month. Still, affordability slipped 9.5% compared to June of last year."

**Rock County Housing Statistics**—The median price for June 2021 is \$204,000 and for the month of June in

2020 it was \$185,500 that was an increase of +10.0% and the **Sales** for June 2021 is 223 and June of 2020 was 230 that was a decrease of -3.0%. In June of 2021 there was 2.9 months of **inventory** and in June of 2020 there was 3.4 that was a decrease of -14.7%. Average **days on the market** in June of 2021 was 61 and June of 2020 was 78 that was a decrease of -21.8%.

**Statewide Housing Statistics**—The median price through June 2021 is \$257,000 and through June of 2020 it was \$223,000 that was an increase of +15.2%. The sales through June of 2021 is 8,655 and June of 2020 was 8,659 that was 0.0% change.

All county figures on sales volume and median prices are compiled by WRA and are not seasonally adjusted. Median prices are only computed if the county recorded at least 10 home sales in the quarter. Beginning in 2018, all historical sales volume and median price data from 2015 forward at the county level have been re-benchmarked using the Relitix system that accesses MLS data directly. Data prior to January 2015 is derived from the Techmark system that also accessed MLS data directly.

## Earn the C2EX Endorsement, and You Could Win!

**Every two weeks, we'll draw a winner\* from the list of C2EX-Endorsed Wisconsin REALTORS® for a \$100 WRA education gift certificate. That's right: your C2EX Endorsement could lead to professional development training from the WRA, totally free! When your Endorsement is complete through NAR, you'll be automatically entered into the WRA drawing. It's that simple: complete your endorsement, and you're in the drawing.**

**Why C2EX?** Succeeding in real estate — especially in today's aggressive market — involves an elevated level of professionalism and commitment to excellence. And holding the Commitment to Excellence (C2EX) designation from the National Association of REALTORS® can get you there.

C2EX is not a class. It's not a course. It's actually not even a designation. C2EX is an Endorsement that allows you to better cultivate community connections, boost business and position yourself as a powerhouse REALTOR® in your market. Think of C2EX as an elevated version of the REALTOR® title and brand: a C2EX-Endorsed REALTOR® is a REALTOR® who is practicing real estate at the highest professional standard in the industry. Read that again and get goosebumps.

Visit [C2EX.realtor](https://www.c2ex.realtor) to start your excellence journey today.

## RECIPE OF THE MONTH

### FRUIT PIZZA

¾ c. flour  
½ c. uncooked Cream of Wheat  
½ tsp. salt  
1/3 c. margarine or butter  
4 to 5 T. cold water

#### FILLING:

8 ox. Vanilla-flavored yogurt  
1 T. honey

#### TOPPING:

31 sm. melon balls  
10 strawberries, washed, hulled & sliced  
2 peaches, peeled and sliced  
Green seedless grapes

Preheat oven to 475°. Combine flour, Cream of Wheat and butter until mixture resembles fine crumbs. Add water, 1 tablespoon at a time, blending with a fork. Roll on lightly-floured board into a 12-inch circle. Place on ungreased pizza pan and flute edges. Prick pastry; bake 8 to 10 minutes. Slide onto a wire rack and cool.

**FILLING:** Mix Filling and spread on shell.

**TOPPING:** arrange melon balls around outside edge, arrange strawberry slices inside, peach slices inside of the berries and mound grapes in center.

You can certainly use different fruit combinations, but this is lovely and delicious.

**NOTE:** Be sure to dip anything, such as bananas or peaches, in lemon juice and drain well before using so they don't darken.
