**A word from your President  
 By Jerry Morse**

Hello Everyone,  
 Spring is approaching quickly with the weather warming up and a robin that is enjoying the bird bath in my back yard. A year ago, the Corona Virus was occupying our minds, as Mask mandates and stay at home orders took place. Thank goodness we, as REALTORS®, were considered as essential service providers. Who could have guessed than, that in Rock County, we would set records for the number of homes sold and achieve the highest ever median price for homes!

This year we look forward to putting the Pandemic behind us. It would be nice to see everyone at an in person meeting again. The market started off hot again to begin the year. Realtor.com called the Janesville-Beloit market area the "12<sup>th</sup> Hottest market in the country" based on their web site activity.

Right now, we have a number of other good things to look forward to. Daylight Savings is the 14<sup>th</sup> giving us more daylight to show property. We have opportunity celebrate the Luck of the Irish for St. Patrick's Day on the 17<sup>th</sup>. In addition, Easter is just around the corner giving us a change to renew and enjoy a beautiful spring followed by a bountiful summer!

There are just 3 words to keep our success moving forward: List, List, & list!

Warm wishes and Happy St. Patrick's Day,

*Jerry*

## ASSOCIATION NEWS

### A Note from your Association Executive:

Happy March to you All! Can you believe that spring is just around the corner? Finally, we will be able to get outside and the kids can get some much needed exercise and fresh air. This snow will melt and be a distant memory! It will start to warm up and you will all be busy showing and selling houses, writing offers and making closings happen. **Yay, Go 2021!**

Watch your emails and Facebook posts as we are almost there with our first Membership Meeting of 2021. This will be a Zoom meeting so we need to work out the logistics first and then you will be notified when that will be. We are looking at mid-March.

There is also a few deadlines looming. March 13 is the deadline for applying for the WRA's REALTORS® Children's Scholarships. March 11 is the deadline to bring your donated items for the Easter Basket Drive. This is not a deadline but a reminder to register for the Online REALTOR® & Government Day 2021. That is on April 14 and you can get more info and register at [WWW.WRA.ORG/RGDAY](http://WWW.WRA.ORG/RGDAY)

We ask that any persons who are meeting with staff or attending any meetings at the Rock-Green REALTORS® Association please abide by the following rules:

- Maintain six feet of physical distancing from other individuals. Only one person at the counter at a time.
- Wearing a mask is required
- Use hand sanitizer located on the counter before entering the conference room and also when you leave the building.

**\*\*\*ShowingTime Change:** The **default** duration for a showing has been reduced from one hour to 30 minutes. If you feel the home you are showing will require more than 30 minutes, you can select a longer window. Listing agents, however, can set a maximum showing duration per listing, so you will not be able to extend beyond what the listing agent has set.

**\*\*\*Hot Tip - Allow More Showings:** ShowingTime allows you to set the maximum showing duration for your listings. If you feel, for instance, that your listing can easily be shown in 30 minutes, you could set the maximum showing duration to 30 minutes to allow for more showings. You can find this setting from within Paragon. Click on Preferences -> ShowingAssist -> Listings. Select the listing and scroll down to Appointment Restrictions. Look for the Maximum Appointment Length drop down.

**\*\*\*Rule Reminder:** It is against MLS rules to advertise a property listed by another agent/broker without first obtaining permission from that agent/broker. The only exception to this rule is advertising done via an approved IDX site that has been registered with the MLS. IDX sites are only approved if they are controlled by

the registered MLS agent/broker, and are clearly identified as being provided by the registered MLS agent/broker. Sites such as Facebook do not qualify as approved IDX platforms. A generic link on Facebook directing viewers to listings on an approved IDX site is allowed. The link should contain no information about, or photos of specific listings. A generic statement such as "Click to see homes in Waunakee" would be allowed.

*Thank you, Sue*

**SHOWING REMINDER**

## Rock County Housing Statistics

**Madison, Wis.**—Following a record year for home sales in 2020, the Wisconsin existing home market started the new year on record pace even as inventories continued to tighten statewide. January is typically the slowest month of the year, so it's encouraging to see such a strong market to start 2021. In a typical year, the month of January accounts for just 4.8% of annual sales.

This record pace however is unlikely to continue due to a severe shortage of homes for sale. Unfortunately, January ushered in another Wisconsin record, and that's record-low inventories. There was just 2.1 months of available homes for sale in January, down from 3.5 months a year earlier.

Very low mortgage rates are fueling demand, and with such limited supply, it's really driving up home prices. In 2020, the median price rose at an average annual rate of 11.4% compared to 2019, and the annual pace of growth was similar, rising 10.5% in January 2021.

The pandemic continues to impact the pace of economic recovery, and while Wisconsin saw solid job growth between May and September that growth stalled in the last quarter of the year as COVID cases spiked. The key to more sustained job growth is widespread COVID-19 vaccination in the state. As of mid-February, approximately 13% of Wisconsin residents had received at least one dose of the vaccine. Hopefully, the pace of vaccinations will increase so that more of the economic restrictions can be lifted and job growth can accelerate.

**Rock County Housing Statistics**—The median price for January 2021 is \$184,500 and for the month of January in 2020 it was \$172,450 that was an increase of +7.0% and the **Sales** for January 2021 is 155 and January of 2020 was 112 that was an increase of +38.4%. In January of 2021 there was 1.9 months of **inventory** and in January of 2020 there was 2.9 that was a decrease of -34.5%. Average **days on the market** in January of 2021 was 83 and January of 2020 was 99 that was a decrease of -16.2%.

**Statewide Housing Statistics**—The median price through January 2021 is \$210,000 and through January of 2020 it was \$190,000 that was an increase of +10.5%. The sales through January of 2021 is 4,659 and January of 2020 was 4,245 that was an increase of +9.8%.

All county figures on sales volume and median prices are compiled by WRA and are not seasonally adjusted. Median

prices are only computed if the county recorded at least 10 home sales in the quarter. Beginning in 2018, all historical sales volume and median price data from 2015 forward at the county level have been re-benchmarked using the Relitix system that accesses MLS data directly. Data prior to January 2015 is derived from the Techmark system that also accessed MLS data directly.
